Hi Carla,

Your school is invited to experience a **Live Streaming Virtual NED's Mindset Mission** performance. The show helps children discover the benefits of having a positive mindset and is available at no-cost. We are now exclusively offering NED's Mindset Mission in a Virtual Live Streaming format for the months of **December and January**. The Virtual assembly is live and gives you the flexibility to schedule **any** date and time during those two months.

### Students Will Learn:

- The **Power of Yet** – If you're not good at something, it just means you're not good at it yet
- How to **spark courage** in others
- How to keep **learning and growing**, even when they think they already know something

### About the Show

NED's Mindset Mission is an interactive, 45-minute all-school performance. We use storytelling, puppetry, illusions and yoyo tricks to take your students on an entertaining journey with our character NED. He follows clues, meets memorable characters and learns valuable lessons.

First, a yeti teaches NED to overcome Mt. Everest's toughest obstacles and *Never Give Up*. With Captain Kindly, NED discovers inner treasures on a Caribbean island and how to *Encourage Others*. Finally, while repairing a sputtering spaceship, NED grows his brain while learning the message *Do Your Best*.

We also provide **150 free lesson plans, videos and activities** that connect to common learning themes – preventing bullying, building relationships, achieving excellence, test prep, growth mindset and healthy choices.

### Bring NED to Your School

We are able to present NED's Mindset Mission to your school at **no fee** with our unique Pay-It-Forward option. A few days before our scheduled show, we will ship your school a selection of NED messaged items – primarily yo-yo's like the ones used in the performance. We ask that you make them available for families to purchase for 5-10 school days following the performance. There is no minimum sale requirement; **what you collect is what we accept as payment** for the show. **Your efforts Pay-It-Forward** for us to share our program with more children in your area and reinforce the NED message with your students. Helping all children be champions is at the heart of everything we do!

Join the 2.5 million children worldwide who are impacted by NED's message each year. Performances are available on a first-come first-serve basis. Please contact me by phone or email with questions or to secure a performance for your school.

Many Thanks,
